Description

HOME SOLD AS IS! If you're looking for a home with great bones and the opportunity to customize it to your taste, this 4-bedroom, 2-bath residence is the perfect canvas. Nestled on a large lot with a spacious backyard and a back patio, this home offers plenty of outdoor space for relaxation and entertainment. While it needs some work and TLC, it presents an incredible opportunity to create your dream home in a fantastic location. The heart of the home is the expansive kitchen, designed for both function and flexibility. With ample cabinet space, extensive countertops, and a center island, there's no shortage of room for cooking, baking, or gathering with loved ones. A built-in desk area adds an extra layer of convenience, perfect for managing household tasks or setting up a small home office. Adjacent to the kitchen, you'll find a formal dining area that's ideal for hosting family dinners and holiday gatherings. This space flows seamlessly into the rest of the home, offering a versatile layout that can adapt to your needs. The possibilities are endless for transforming this area into a warm, inviting space that reflects your personal style. The master suite, conveniently located on the main floor, is a highlight of the home. It features a spacious walk-in closet and an en suite bathroom complete with dual sinks and a jetted tub. This private retreat offers a perfect space to relax and unwind at the end of the day, with plenty of room to customize and enhance its luxury. Two additional bedrooms on the main floor provide comfortable accommodations for family or guests, with easy access to the second bathroom. The layout is ideal for families, with everything you need on one level. Above the garage, a large bonus room or fourth bedroom offers even more flexibility, whether you envision it as a guest suite, a playroom, or a home office. The backyard is a blank slate waiting for your vision, with plenty of space for gardening, playing, or creating your own outdoor oasis. The patio area in the back is perfect for barbecues, outdoor dining, or simply enjoying the fresh air. With some creativity and effort, this space could become the ultimate backyard retreat. This home is a fixer-upper, but with its large yard, spacious interior, and great layout, the potential is undeniable. It's an excellent opportunity for someone with a vision who's willing to put in the work to bring this home back to life. Whether you're an investor, a first-time buyer looking for a project, or someone with a passion for home improvement, this property offers the chance to make a lasting investment. Don't miss out on this great opportunity to create your dream home. With some TLC, this property can be transformed into a beautiful and comfortable space that suits your lifestyle perfectly. The possibilities are endless, and the rewards will be well worth the effort.
