## Description

This beautiful villa is surrounded by nature. It has been thoughtfully updated adding additional square footage with the sunroom. The huge windows make the sunroom the most desirable spot in the house to see all the splendid nature this property has to offer. The double back porch allows for even more relaxation, dining space or napping after a long day playing golf. The villa has Alderwood custom cabinets, waterfall granite and marble countertops, limestone and Carolina heart of pine floors and plantation shutters. The kitchen with its Tiffany light fixtures flows seamlessly into the living room and dining room perfect for entertaining. The primary bathroom has a huge marble shower and counter tops, frameless shower doors, faucets by Grohe and Toto commodes. The Primary bedroom boasts a king size bed and the second bedroom has two twins. The second bathroom has been updated without a detail missed. This home will keep you and your guests comfortable for years to come.
