Description

This is a rare find: an affordable ranch home in The Vistas of desirable Wescott Plantation. With nearly 1600 square feet of comfortable living space plus a screened porch and patio overlooking the fourth hole of the Black Robin Golf Course, this home has been well-loved and beautifully maintained. Inside you'll find upgrades such as crown molding and wainscoting. The open-concept kitchen includes durable Corian countertops, stainless steel appliances, and a new Frigidaire microwave oven. A restful primary bedroom and bath at the back of the house provide privacy, as well as direct access to a screen porch. Guests will love their own space with secondary bedrooms located at the front of the house. The primary bath features dual sinks, a jetted soaking tub, and separate shower. Ceiling fans circulate a refreshing soft breeze throughout the home. A spacious two-car garage provides convenient overhead storage.
