## Description

Unit 207 at the Albemarle is a one-of-a-kind home that was totally renovated in 2017. When you enter the unit, you are greeted with a bright and open living area with large windows and a modern fireplace. On your way to the fully upgraded chef's kitchen is a beautiful and storage-filled island with bar seating, perfect for entertaining guests while you cook. The kitchen is equipped with Dacor appliances, including a 6-burner gas cooktop, wall oven, wine fridge, dishwasher, and Samsung smart refrigerator. Behind the kitchen is the guest bedroom which features a walk-in closet and built in additional closet space. This guest space is spacious enough to accommodate your guests or function as an office, or both. The guest bathroom is located directly across from the spare bedroom and is largely sized and fully updated. The primary suite has a large, custom walk-in closet and access to the patio. The beautifully renovated primary bathroom has quartz countertops with his and hers sinks, a spacious shower, and lovely porcelain tile flooring. On your way out of the unit don't miss the generous laundry room, which was reconfigured in 2017 to allow for more storage. The Albemarle is a stone's throw from Porter Gaud and Ripley Light Marina and only one mile from Downtown; it's just minutes to hospitals, shopping, College of Charleston, and all downtown has to offer. It is also walking distance to the Greenway and the future pedestrian bridge. Amenities in this complex include a pool, a well-appointed fitness center with new equipment, and a common area that includes a conference room and kitchenette. HOA fees include gas, water, exterior maintenance, common area lighting, landscaping, and maintenance of all common areas. The Albemarle's entryway and hallways have undergone cosmetic renovations, painting, and redecorating in recent years, bringing the common areas in line with the upgrades you'll find in unit 207. This unit has TWO deeded parking spaces in the gated, drive-under parking garage, which is rare and valuable at the Albemarle.
