Description

Fantastic lot located in Hamlin Plantation. One of just a few vacant lots. Owner had a tree study done years ago and had plans drafted for a custom home to be put on the lot but never built. One Oak Tree on the property that will not pose a problem for a build. Privacy, Privacy, Privacy - nothing can be built behind this house. HOME next door (4983 Sound View Drive) is owned by this owner, buy the house and have a double lot!
