This gorgeous home is Charleston living at its finest. A must see 2bd/2bth located on the TOP residential floor of the highly sought after Gadsden. The floor to ceiling windows allow the most outstanding views of the beloved Ravenel bridge as well as the beautiful 5 acre Gadsdenboro Park. This residence has been meticulously maintained and boasts a nice open floor plan with many custom upgrades such as J Geiger electronic shades and custom floor to ceiling window treatments. Quartz counter tops, wide-plank hardwood floors, in-unit laundry and a private climate controlled storage unit on the same floor make this a perfect place to call home. The amenities at The Gadsden are truly among, if not, the BEST of any condo building in Charleston! There is a stunning rooftop pool with panoramic views of Charleston and the harbor. The heart of the rooftop is the beautifully furnished Club Room flanked by a roof terrace with views of the harbor across Union Pier on one side, and the Charleston skyline and Ravenel bridge on the other. Outdoor kitchens, firepit, and ample entertainment space with an abundance of seating areas all around make this a dreamy way to entertain your guests. Also in the building: A state of the art, 5 star worthy fitness center, covered secured parking space under the building, pet washing station, bike storage, electric car charging stations, and concierge service staffed during business hours & on-site maintenance personnel.
