Description

Welcome to 5 Sunrise Dr in the historic Caesar's Head Community. You may think this home should have been featured on HGTV's "Treehouse Masters". It's certainly no treehouse, but it lives very fun and screams "getaway", smack dab in the middle of the trees with wintertime views. Built in 2024, this home features 2BR and 2.5BA. The exterior is a blend of hardiplank and corrugated metal. Bottom level - master bedroom and bath. Second level - living room and kitchen, porch and grilling balcony. Third level - office/den, covered porch, half bath. Fourth floor/attic - second bedroom and full bath. The Caesar's Head Community has been a magnet for mountain enthusiasts for generations - an old school approach to community with family-like connectivity. Located at 3000+ feet elevation, the cool summers and gorgeous Fall leaves will keep you coming back to this warm and inviting community. Homes rarely come on the market in this highly sought-after area. Optional membership (by application) in the community association offers a gorgeous heated pool, clubhouse, tennis/pickleball and historic lodge. Less than 1 hour from Downtown Greenville, 25 minutes to Brevard, NC. Enjoy hiking, cycling, walking, bird-watching, shopping in nearby towns. There's nothing boring about the mountains! Taxes noted reflect lot only.
