Description

Come check out this beautiful remodeled home tucked into a quiet little community called Townes Square. Located just off of the N. Main Street area of Greenville, this lovely 4 bedroom 3 bath home sits on a private lot and features off street parking. It is an atypical house in that it's reversed. But it's beauty is that it's reversed! The front faces a park with a babbling stream providing peace and tranquility in a private setting. Additionally, the house provides off-street parking with rear access directly across the street from Stone academy. This home has a small office/mudroom as you enter, and leads into a large great room where you can enjoy the cooler nights near the wood burning fireplace. The kitchen has beautiful white cabinetry and comes fully equipped with a full appliance suite. Walk out to the back deck and enjoy a quiet dinner or a comfortable spot to read a book all while surrounded by a small wooded area. The interior of the house has been completely repainted and comes with new carpet and Luxury Vinyl Plank flooring. **In addition, the seller recently completed a floor plan change converting a large entry area back to it's original design which is a single car garage. The Townes Square community is in the perfect location, with a short 5 minute drive to Main street in downtown Greenville. You won't want to miss this home, call to schedule your appointment today.
