## Description

Country chic log cabin located minutes from some of the best camping, hiking, kayaking, fishing and trail riding in the state. It is close to a number of area trails, lakes and mountains. Less than an hour from two of the country's most attractive cities according to US News. Between Greenville, SC and Asheville, NC, home of fabulous dining, shopping and the historical Biltmore Estate. This mountain home is truly a one of a kind retreat with captivating views of Caesars Head Mountain all year and Table Rock is seen throughout the neighborhood. Beautiful vistas include colorful sunrises, spectacular sunsets and stars too numerous to imagine. This area offers quiet streets, friendly neighbors and lots of activities. The yard is completely fenced in and includes landscaped flower beds, hundreds of flowering bulbs, an orchard of fruit trees and berries, as well as a protected vegetable garden. Horse pastures surround the barn. This home is spotless and move in ready. The kitchen was remodeled a few years ago and includes a walk-in pantry, beautiful quartz countertops, gas cooktop, large sink and pull out drawers throughout. The island is perfect for entertaining. This house also has impeccable upgrades such as a Geothermal heat and air system, a full house generator and a hot water circulator. The back deck follows the full width of the house and covers the walk out paver patio below where the views never cease. The backyard offers recreational space with a firepit and a gently rolling hill down to the pond. This home is a one of a kind treasure and offers a lifetime of fun, friends, and family gatherings. If you are young at heart or the adventurer type, this home is for you. Welcome to your mountain home paradise. This custom Log home has 4 Bedrooms, 3 full baths, a powder room, and Flex room. It also boasts huge living spaces on both main floor & walk-out lower level. The Primary Bath has double sinks, a walk in closet & convenient chute to laundry room. Upstairs has a beautiful loft to sit and work on puzzles, or painting, while gazing at the inspiring mountain views. The inviting lower level has a custom wet bar, great for entertaining, which you can continue by walking outside onto the luxurious stone floor patio. This property is almost 6 acres, which is completely fenced in. Outside you can enjoy fishing in your OWN pond, on your OWN dock, horseback riding, and/or planting gardens. Before stepping back inside, you can rinse off under the outdoor shower in this stunning rock breezeway. The eye-catching barn has vast amounts of storage and two Stalls for your sweet equine friends. On clear nights enjoy a glass of wine on the opulent deck; gazing up at the star studded Milky Way. During the day, have a picnic under the Hemlock tree while viewing the majestic Blue Ridge Mountains. The detached oversized 3 car garage has a breezeway entering the lower level. This large acreage, all inclusive home, is the cornerstone of the neighborhood. You need to see it in person before it flies off the market, it will not last long.
