Description

The Sago is a two-story, single-family home ideal for families wanting a private primary bedroom on the first floor away from the secondary bedrooms on the second floor. The oversized loft provides a play area and a place to keep toys and games hidden upstairs when guests are over. At no additional cost, in the private primary suite located at the back of the home, choose between an oversized shower or a separate shower and soaking tub. Choose a Screened Porch, Covered Porch, Fireplace, or an Enhanced Kitchen and your design options and color palette. Energy Star certified, Indoor airPLUS qualified and HERS rated. HERS score 38.
