Description

Third floor acts as 4th BEDROOM in this rare 3-story home in Oak Terrace Preserve! 3 bed, 3.5 bath and a private 3rd floor that is used as a 4th bedroom with en-suite! Southern charm is in abundance as you step beyond the moss covered oaks and onto the path leading to your wide wraparound porch - the perfect setting for morning coffee or afternoon cocktails. Upon entering the wide foyer, you are welcomed into a space designed for entertaining, and no detail was overlooked when crafting this gorgeous home. Beyond the foyer, you're immediately welcomed to the bright living room with a floor-to-ceiling shiplap hearth that houses the gas fireplace and floating mantel. The living room is open to the large kitchen which features an oversized island, bar area, quartz countertops, stainless steel appliances, custom drawers, 42" cabinetry, and a walk-in pantry. The large dining room is at the rear of the home, and a mudroom/drop zone is located off the dining area, at the rear entryway, and also has a large storage closet. The main level is complete with a large powder room, 10 ft ceilings, hardwood floors, and plenty of closets for storage. Hardwood stairs lead you up to the 2nd level where you will find three large bedrooms, including the oversized primary suite. The double doors of the primary ensuite open to a double vanity, luxury tiled shower with bench, and walk-in closet. The 2nd floor is completed with a full bath, laundry room, and 10 ft ceilings. The landing area and hallway of the 2nd floor are hardwood, while the bedrooms are carpeted. Tucked at the end of the hallway, a private staircase leads you up to the 3rd level with another full bathroom, which is effectively used as a 4th bedroom. Outside, there are two separate living spaces to enjoy! The rear yard is fenced by a living fence, which allows protection for children or pets. The side yard, easily accessed from the wraparound porch, has just been renovated with artificial turf, a new fence, and a built-in grill station. This home benefits from being located next to one of the many HOA maintained pocket parks. Oak Terrace Preserve is a sustainable community requiring all homes to be green certified. The neighborhood is peppered with green spaces and pocket parks, which host several neighborhood events such as monthly food trucks, outdoor movie nights, annual oyster roast/lowcountry boil, BBQ cookoff, and many holiday events. Located within walking/biking distance to Park Circle and Paradiso Social Club, this home also offers quick and easy access to I-526, I-26, the new North Charleston Athletic Complex, Riverfront Park, and the Charleston International Airport.
