Description

Stunning all-brick home in the highly desirable Windermere neighborhood of Longcreek Plantation! This 4-bedroom, 3.5-bath beauty offers 3,501 SF of elegance and comfort, complete with an inground gunite pool and luxurious features throughout. The main level highlights include Owner's suite with stunning hardwoods, tray ceiling with heavy molding, and door leading to the patio and pool. Guest bedroom with its own private bath—perfect for visitors or multi-generational living, two-story entry, staircase has been beautifully updated with wrought iron spindles, and large kitchen with built-in wall microwave and oven, pantry, and breakfast area. Main level is rounded out with a powder room and laundry room with tiled floor and sink. On the upper level, experience a spacious loft area with built-ins and a large storage closet, offering flexibility for an office, playroom, or entertainment space. Two guest bedrooms with a shared bath with double vanities round out this convenient and versatile floor plan. Large flex room over the garage could be media, guest, or hobby room. Your outdoor oasis has a beautifully designed gunite pool with two fountains and an auto-fill/auto-drain system to maintain a consistent water level effortlessly. Pool landscape features 3 mature palm trees for that resort feel. Irrigation well for efficient lawn maintenance. Additional features include two-car garage with off-floor storage for extra organization. Refrigerator in garage conveys with the home. New roof 2024. TV mounts throughout the home/exterior convey. This home provides luxury, space, and convenience. Schedule your showing today and experience the best of indoor and outdoor living!
