Inspired by the natural beauty of the surrounding area, the Waverunner offers three bedrooms and two and a half baths within nearly 2,700 square feet. This two-story model includes a first-floor bedroom, enormous kitchen, outdoor living areas, loft, and ample storage space. Wide, open space connects the great room, casual dining, and extensive kitchen. Beyond the great room, accompanied by a full bath, find a first-floor bedroom with a walk-in closet ideal for visiting relatives or an in-law suite. Upstairs, the owner's bedroom features an enormous walk-in closet accompanied by an indulgent owner's bath. The second floor also provides a large flex space with wide loft. Easily imagine a media room or recreational room in this space accompanied by two additional bedrooms, a full bath, and laundry room alongside the loft allowing for a secluded bedroom away from the hustle and bustle of the downstairs area. The Waverunner offers room for the entire household with an array of comforts added throughout.
