Description

Welcome to this charming one-story home on a quiet cul-de-sac, in the highly desirable neighborhood of Belle Hall. Enter into the airy living room, where vaulted ceilings and an abundance of natural light lend a spacious feel. The kitchen, with all new cabinets, quartz countertops, and stainless steel appliances, has been updated for maximum storage, function, and style--perfect for the home cook. And the wall of windows along the back of the house brings the outdoors in, offering views of the expansive private backyard. The focal point of the living room is the wood-burning fireplace, perfect for those chilly winter nights. Through the large primary bedroom, complete with vaulted ceiling, find a walk-in closet and updated en-suite bathroom with double vanity. Wood floors run throughout the living spaces as well as the bedrooms. The second and third bedrooms are on the other side of the home and share a full bathroom. The home has a fantastic floor plan and is on a premier 0.33-acre lot. Enjoy weekend barbeques out on the 320-square-foot back deck which boasts Armadillo Composite decking for low-maintenance enjoyment. Located in an X flood zone, so no flood insurance is required. Enjoy Belle Hall's 2 neighborhood pools, basketball courts, 3 play parks, crabbing docks, walking trails, tennis courts and clubhouse. Walk or golf cart to award-winning schools, shopping, coffee shops or restaurants. Conveniently located near I-526, you have easy access to everything Charleston has to offer.
