Description

Wow, this stunning home is VA Assumable, \$225,000 or 2.25%, what a great rate. This home offers a perfect blend of elegance and comfort, making it an ideal choice for both everyday living and entertaining. With four spacious bedrooms and four-and-a-half bathrooms, you'll find plenty of room to spread out and enjoy. The formal dining room is perfect for hosting dinner parties, while the large eat-in kitchen is a chef's dream. It features sleek granite countertops, a gas cooktop, double ovens, and an abundance of cabinets in both the kitchen and the adjoining butler's pantry. Beautiful luxury vinyl planks flow seamlessly through the formal dining room, kitchen, family room, and hallway, adding a touch of sophistication to the space. The large master bedroom, conveniently located on the main floor, includes a generous walk-in closet and a luxurious master bath with his-and-her sinks and a large shower. Upstairs, a spacious loft area provides additional living space and is accentuated by elegant dual handrails. Each of the other bedrooms is generously sized and comes with its own walk-in closet. A well-designed Jack-and-Jill bath conveniently serves two of these bedrooms. The home also features a versatile sunroom with an adjoining bathroom, currently used as an office, but perfect for whatever suits your needs. Additional features include a practical drop zone as you enter from the garage, which includes a mini-split heat and air unit, ideal for a man cave or extra hobby space. Step outside to your private oasis, where a sparkling saltwater pool awaits, complete with an automatic cover and heater for year-round enjoyment. The beautifully landscaped front and back yards are enhanced by concrete edging around the flower beds. The large stamped concrete patio surrounding the pool is perfect for entertaining, and there's also a sizable storage shed with electricity. Plus, the extra-wide parking area ensures plenty of space for additional vehicles. This home truly combines luxury and practicality in a setting that's ready to be enjoyed.
