The designer kitchen is a true showpiece, complete with floor-to-ceiling solid wood cabinetry, quartz countertops, Carrara marble backsplash, a large undermount stainless steel sink with a statement faucet, new stainless steel appliances, and brass hardware. A custom pantry tower adds function and flair. Down the hall, two spacious guest bedrooms offer designer lighting, accent walls, while the hall bath features herringbone slate tile, a designer vanity, and a tiled tub surround. The private primary suite at the rear of the home includes a spa-worthy en suite bath with a walk-in tile shower, brass Delta fixtures, a sleek glass panel, and an open black stone vanity with brass detailing. Exterior improvements include a new roof, treated and painted brick, new columns and handrails, refreshed lighting, and a redesigned driveway with ample parking, plus a carport for added convenience.
