Description

Discover this exquisite property featuring a great cul-de-sac location with a charming brick exterior. The formal dining room with hardwood floors is nice for intimate dinners, the great room with cathedral ceilings creates an open, airy atmosphere with cozy corner fireplace and is open to the eat-in kitchen complete with a bay window, bar seating and lots of cabinet and counter space. The master suite offers a private retreat with a jetted bath, separate shower, double vanity and walk in closet, while the additional two bedrooms have a shared bath and a versatile bonus room including a fourth bedroom/home office with its own private bath. The days are getting longer and the covered back porch off the great room and kitchen also includes a large deck with covered grilling area that features durable Trex decking that is perfect for low-maintenance outdoor entertaining and enjoying tranquil evenings. The oversized backyard has a shed, great firepit area, a detached two-car garage with an awesome 486 sq ft finished room over that can be a man cave or just a place for ultimate leisure. This home perfectly blends modern comforts with timeless charm. Close to shopping and restaurants and convenient to NE Columbia. Don't miss out on the opportunity to make this incredible home yours!!
