Description

Beautiful craftsman style home located in the sought-after neighborhood of Woodridge. This 4 bedroom, 3 ½ bath brick home is full of character and has room for all your hopes and dreams. Step inside from the charming rocking chair front porch to the beautifully crafted foyer. The main level boasts open rooms that flow easily for entertaining your family and friends. The impressive windows bring the serene backdrop of the home right inside with dreamy natural light. On the main level there is a bedroom and full bath in addition to the private owner's suite. The efficient kitchen offers granite countertops and a large gas cooktop. The screened porch off from breakfast room will sure to be one of your favorite spots in the home. Relax and enjoy the sound of the wind in the trees and birds singing all around you. Upstairs you will find two nice sized bedrooms sharing a Jack and Jill bathroom. Also upstairs is an oversized flex room with access to walk in attic space. The basement is where you will find tons of space for entertainment! At the center is a huge theater room with a conveniently located half bath. There is also a finished recreation room with a wet bar. The unfinished portion of the basement gives you ample storage space and a large workshop with double door access to the backyard. There is another peaceful screened porch on the basement level which leads to the sloped backyard. Imagine planning camping trips in your own back yard down by the creek. Another standout feature of the home is the convenient location. Close to I-85 and I-26 and near popular shopping destinations such as Costco and Target. All while being tucked away in a neighborhood surrounded by the beauty of nature.
