Description

Situated at the end of a cul-de-sac, this updated, easy-living one-story home features an updated kitchen, laundry room, bathrooms, updated wood style flooring throughout the owner's bedroom and living room, and a new garage, but that is not all. Right in the heart of Goose Creek, close to interstate, shopping and restaurants. The beautiful foyer leads into the large living room and open kitchen with built-in banquette. Under cabinet lighting, built-in microwave, stainless appliances and lot of cabinets and counter space all make the kitchen the perfect spot for entertaining or cozy dinners at home. The owner's suite has two closets plus a remodeled bathroom with walk-in tiled shower. Two secondary bedrooms share a hall bathroom updated with a tiled shower/tub combo. The laundry room has been renovated to add more space where you will find lots of shelf storage, perfect for overflow kitchen items, linens, or holiday decorations. Don't miss all the recessed lighting that was added as well. Prepare to fall in love with the huge backyard, complete with a patio, firepit and a covered deck. The fenced-in yard borders a heavily wooded buffer on two sides maximizing privacy. A storage shed at the back of the property can convey giving you additional storage and a recently added 1-car garage makes the perfect workshop and has a garage door, side entry door and electrical already in place. This is a great opportunity for anyone searching for a perfect one-story home.
