## Description

The Burton plan provides everything you need, all on one level. The flow of this home is wonderful. Two secondary bedrooms and full bath towards the front, with the master suite tucked away towards the back. The open family room features a recessed fireplace and loads of natural light. The kitchen has wonderful countertop and cabinet space. If that isn't enough, the large pantry will certainly do the trick. All countertops in the kitchen and both bathrooms are granite. The kitchen also has an island for additional sitting. The master suite's full bath has a separate stand-alone tub and tiled shower with bench. The double-vanity sink has three LED-anti fog-blue tooth compatible mirrors. There is a 10x12 patio out back for relaxing enjoyment. Several Smart Home features are included along with Ultravation HVAC technology helping to provide continuous clean air. USDA 100% financing available.
