Description

Welcome to this beautiful 5-bedroom, 3-bathroom brick single-family home nestled on a quiet area in the sought-after Cypress River Plantation community. Situated on over half an acre, this home offers space, privacy, and access to unbeatable amenities. Cypress River Plantation is a unique lifestyle, where you can enjoy a day on the Waccamaw River after launching from the private boat ramp. Or you can enjoy a day at the newly resurfaced community pool, newly remodeled clubhouse with fitness center, tennis, basketball and playground. Enjoy morning coffee on your front porch looking over your beautifully landscaped yard with zoysia grass, palm trees and vibrant flower beds. Enter the front door and see the formal dining room on your left, then discover a warm and inviting living area with a fireplace, and 18-foot cathedral ceiling. Updates include fresh paint throughout, including garage, new flooring in the primary bedroom, and new carpet in the upstairs bedrooms. Enjoy cooking in your kitchen with stainless steel appliances and quartz countertops with ample cabinet space and serve in your spacious breakfast nook. The downstairs primary bedroom includes a tray ceiling, walk-in closet, an office retreat and access to your screened porch with hot tub. The primary bath has two vanities a tiled shower and whirlpool garden tub. Upstairs you will find three bedrooms, one which could be a man cave, includes a wet bar and mini fridge, and extra storage space. Enjoy the outdoors year-round with two patios and two screened porches, one featuring a relaxing hot tub and serene views of the forest - no neighbors at your back, just nature. Your backyard is private, serene and expansive, ideal for entertaining family and friends. A 3-car garage provides ample space for vehicles, storage, or even a home workshop.
