Description

MOTIVATED SELLER & ADDITIONAL PRICE IMPROVEMENT! Welcome to the highly desired Seagate Village located just outside of Market Common! Known as the former US Air Force Base housing, this "I" unit is the largest of the 3BR 1.5BA duplexes with a very functional floor plan, nice open great room and dining room combination with tons of natural light, large kitchen with lots of cabinets and counter space, coffee bar area with wine fridge, laundry area within the kitchen and a double pantry closet just outside the kitchen, full guest bath down the hallway, two guest bedrooms with ample closet space, and the primary bedroom even includes a half bath, all three bedrooms are very spacious, incredibly large storage room with shelving at the end of the hallway, there's also an outdoor storage room off the carport area. Many updates/upgrades have been completed within the last several years in this condo, including stainless refrigerator, wood accent wall and ceiling, interior and exterior paint, and it comes completely furnished just as you see it, including bedding, kitchen supplies, accessories and all TVs! You can actually hear the tranquil ocean waves from every window in this condo because the beach is just seconds away! The HOA has replaced the roof, raised the flat carport ceiling and freshly painted the exterior, all much appreciated improvements! With Seagate Village HOA not only is your exterior building insurance as well as the flood insurance included in your monthly dues but they also cover repairs and replacements of your exterior doors, windows, roof, siding, paint, driveways, lawn maintenance as well as shrub and tree trimming services and termite bond! Most condo HOA's do not include these types of repairs, much less at a reasonable monthly cost! This community is so popular because you can walk, jog, ride bikes, or golf cart to all of Market Common's restaurants, shopping, movie theater, bowling alley, or enjoy outdoor music festivals, art festivals, farmers markets, movies in the park, children's playground areas, doggie parks, play either disk golf or the par 3 golf course, join an adult sport league at the ball fields, take an exercise class at the recreation center, have dinner or lunch at the Culinary Institute, or walk or ride over to Springmaid Pier or Myrtle Beach State Park to dip your toes in the water and admire the ocean views! If you desire a community with a pool, living in Seagate Village you have the option to buy an annual membership into the Market Common Amenities of the pool, lap pool, shallow pool, lazy river, spas, ping pong and fitness room for an annual fee. Call your Realtor to schedule your viewing appointment and come live the urban lifestyle of Market Common and move to Seagate Village today! *All information, ages of equipment, measurements and square footage are approximate, and are deemed reliable, but not guaranteed.
