Welcome to your newly renovated low country paradise. Full list of upgrades in documents. Updated primary bathroom and kitchen, appliances, insulation, encapsulation and the list goes on and on. Not only does this home have some of the best sunsets on Johns Island, but you will be owning a piece of history. Massive 2 car garage, large enough for your bay boat or skiff to enjoy the Limehouse boat ramp, less than .5 mile away. The garage has been stubbed for plumbing. The primary bedroom, boasts a custom bath as well as a screen porch for enjoying nature right out of your bedroom. Tucked against the marsh, watch birds, deer and fish from right outside your door.
