Description

Immaculate cottage home located in sought after Greystone Cottages, in the heart of Greer and zoned for Woodland Elementary, Riverside Middle and Riverside High School. Welcome to maintenance free living at its finest! Put your feet up and relax under one of the TWO covered porches of this like-new craftsman. This home boasts TWO fireplaces, one indoor and one out! The kitchen is upgraded and open by removing the foyer wall and moving the pantry to the opposite wall creating a more open kitchen with additional counter space! Other features include Stainless Steel appliances, including a farmhouse style apron sink, soft close cabinetry, granite countertops, beautiful backsplash and an Island with even more storage and barstool seating. The main living areas are open to each other and flow nicely onto the COVERED back porch, with a beautiful, masonry fireplace and ceiling fan. The Primary bedroom is located on the MAIN LEVEL and features a large soaking tub, double sinks, walk in tile shower with a custom niche, glass shower doors and a large walk-in closet. There is also direct access to the back porch from the Primary Bedroom. There are two additional, secondary bedrooms with another FULL bath located on the main floor. Upstairs you'll find a FOURTH BEDROOM, complete with another FULL BATHROOM. Another upgrade is the garage entry through the laundry room (instead of directly into the kitchen, where the pantry is located). This home has been meticulously maintained and decorated and includes custom blinds throughout. There are beautiful common areas where you can enjoy a nice walk or relax under one of the gazebos by the natural pond. Make your appointment today. This great home will not last!!
