Description

Nestled in a serene cul-de-sac, this beautiful 3-bedroom, 2.5-bathroom home offers both style and functionality. As you step inside, you're greeted by wood floors throughout the main living area and elegant wrought iron railings leading upstairs. The formal dining room features an arched entryway, adding a touch of sophistication, as well as a family room with a stacked stone fireplace and built-in shelving. The kitchen is equipped with granite countertops, a spacious island, stainless steel appliances, and a tile backsplash. There is ample cabinet space featuring soft-close drawers, under-cabinet lighting, and also an adjacent area with a built-in desk perfect for home organization or homework. A bright eat-in kitchen space provides additional dining options, and the laundry room. The primary bedroom showcases trim work on its vaulted ceiling and a walk in closet. The en-suite bathroom includes dual vanities with granite countertops, a newly refinished shower, and a garden tub. Two additional upstairs bedrooms share a hall bath, and a large bonus room offers flexibility as a potential 4th bedroom, home office, or exercise space. Step outside to your private oasis, where a large, fully fenced yard awaits with access gates on both sides. The mature landscaping, highlighted by stately palm and palmetto trees, surrounds an in-ground fiberglass saltwater pool with a waterfall feature. Travertine tile decking and a cozy firepit area complete the perfect space for outdoor entertaining. The home has a 2 car garage, gutters, extra storage space and a home warranty that is transferable through May 2025. The community is located close to I-26, Joint Base, Bosch & Boeing, grocery stores, shopping, restaurants, and medical facilities. Schedule your showing today!
