Description

Welcome to the all Brick Ranch with Large Front Yard. This home has a covered front porch. The attached side entry carport has a large room for use as you please. When entering in the carport door you enter into the Kitchen and you have a large laundry room as well. The Kitchen has stained cabinetry, formica countertops and is connected to the formal dining room with tons of natural light. Attached to the dining room is the formal living room with continued natural light. The foyer connects you to the living room with a wood burning fireplace and a pass through to the Kitchen. The back patio can be accessed from the carport and has a built in grill that can be brought back to it's original glory. The backyard is expansive and fenced in. The living room leads you to a bedroom with private closet and bathroom across the hall that was renovated in 2023. The Master bedroom has a ceiling fan and a Jack and Jill bathroom, also renovated in 2023, with a beautiful large walk in shower. Bedroom 3 shares the Jack and Jill bathroom. Come see this lovely all brick ranch. Roof replaced in 2022. Disclaimer: CMLS has not reviewed and, therefore, does not endorse vendors who may appear in listings.
