Description

Experience the perfect blend of Lowcountry charm and modern coastal elegance in this stunning 4-bedroom, 3.5-bathroom home situated along the banks of the scenic Stono River. Built in 2023, this 4,091-square-foot residence sits on a .4-acre lot, offering both exceptional finishes and the worry-free feeling of owning a new home. Just minutes from historic downtown Charleston, enjoy easy access to world-class dining, shopping, and culture while relishing the peace of a private retreat. Notable exterior features include a three-car garage, welcoming front porch, and a spacious screened porch in the backyard. From the moment you step inside, soaring ceilings, wide-plank engineered hardwood floors, and oversized windows create a light-filled, welcoming atmosphere. The open floor plan flows seamlessly between the oversized living room and kitchen, and a nice coffee bar area and pantry separate the kitchen from the dining room. Exquisite trim and moldings blend classic Lowcountry architecture with coastal accents for a sophisticated yet relaxed feel. At the heart of the home, the gourmet kitchen features quartz countertops, premium appliances, and custom cabinetry. A spacious eat-in area is perfect for casual meals while the formal dining room allows for wonderful memories to be created. The first-floor primary suite is a private sanctuary, complete with a massive walk-in closet and a spa-like bath featuring dual vanities, a standalone soaking tub, and an oversized walk-in glass shower with multiple water fixtures, including a rainfall showerhead. Designed for flexibility, the home offers a secondary living room on the second floor, a dedicated office, and a versatile bonus room, ideal as a mother-in-law suite, home gym, or hobby space. This exceptional home is a rare opportunity to own a nearly-new residence in a waterfront community near Charleston's historic charm. With its prime location, stunning craftsmanship, and thoughtful design, this home is a true Lowcountry masterpiece. Schedule your private tour today!
