Description

Located just minutes from I-20 and a short 35-minute drive to Fort Jackson, this well maintained 5-bedroom, 3-bathroom home offers the ideal blend of comfort, convenience and value in low- tax Kershaw County- all within a top- rated school district. Nestled in a quiet cul-de-sac, this 2,284 sq. ft. Green Smart home is designed to save you money with energy-efficient features like Radiant Barrier Sheathing, R50 attic insulation to lower your electric bills and advanced framing techniques. Inside, you'll find a well-thought-out floor plan with four spacious bedrooms upstairs, including a luxurious primary suite complete with tray ceilings, a ceiling fan, French doors, a spa-like en-suite with a garden tub, separate shower, double vanity, his-and-her walk-in closets, and a private water closet. A cozy upstairs loft area makes for a great sitting or entertainment space, and the convenient upstairs laundry closet makes daily chores a breeze. On the main level, a versatile fifth bedroom is ideal for guests or a home office, conveniently located next to a full bathroom. The expansive eat-in kitchen is a chef's delight, featuring granite countertops, a spacious island, luxury vinyl plank floors, modern recessed lighting, a pantry, and stylish stained cabinets—plus, all kitchen appliances are included! The open-concept layout flows into a formal dining room and an oversized living room along with a fireplace, which opens to a huge, unfenced backyard (allowing the new homeowner to install their own custom fence if needed) —perfect for relaxing or entertaining. With a spacious two-car garage, plenty of storage, and easy access to: shopping, dining, a local horse racecourse, country club, and entertainment; this home offers everything you could ask for! Compared to most new built homes in the area with the same beds and baths, this home has MORE square footage plus a HUGE lot size that is over twice the size than most.
