Description

This is a lovely first floor middle unit with some nice upgrades including, solid surface countertops with back splash, deep sink and new kitchen faucet. It has new flooring with LVP in the living room and bedrooms. The HVAC unit is only 4 years young and some new furniture was added along with a fresh coat of paint. There is some porcelain tile in the front hallway and bathroom and the building was just roofed this past month! There is crown molding in the living room as well. There is a TRANSFERABLE GOLF MEMBERSHIP that is available to the new owner and there are not many of these available in all of Barefoot Resort! The property has plenty to offer it's homeowners with 4 Championship Golf courses, two clubhouses with private areas for it's members, a marina where you can rent slips, jet skis and enjoy watching the boaters pass by from the Marina Bar located just off the ICW. There is also Putter's Pub along the Barefoot Golf Driving Range and a workout center as well. The North Tower pool is the largest ionized pool in the area and it's available with your ownership in Barefoot Resort. The best amenity is the Barefoot Beach Cabana located oceanfront in the Windy Hill Section of North Myrtle Beach with plenty of parking and seasonal shuttle service and attendants. So what are you waiting for as this first floor unit will sell soon. This unit is conveniently located close to the pool, grilling area, and the trash compactor. There is parking is in the front and in the back of the unit! So make your appointment now and make sure you get this condominium for your family! It's one of the OnLY FIRST floor units in all of Barefoot Resort!
