Description

Luxury and craftsmanship define this custom-built home on a half-acre lake lot in the prestigious gated Waterbridge community. From the moment you step inside, the superior attention to detail is evident. This meticulously designed home offers four ensuite bedrooms, three of which are on the first floor, an additional office, a half bath, a Carolina room, an oversized two-car garage, and abundant storage. Designed for both beauty and durability, this home features 10-foot ceilings on the main level with a striking two-story vestibule entryway, crown molding throughout the first floor, including the bathrooms, and 8-foot solid core wood doors for an added touch of elegance. With no carpet, only tile and luxury vinyl plank flooring throughout, every detail has been thoughtfully upgraded, including all LED can lighting, a whole-house generator, a new top-of-the-line HVAC system, and hurricane shutters for peace of mind. Step outside to your private backyard oasis, where a saltwater pool with a heat pump invites year-round enjoyment. The cool deck coating around the pool and porches ensures comfort and style, while the Bullfrog spa provides the perfect place to unwind. A separate irrigation and pool water meter significantly reduces water costs, making maintenance effortless. Enjoy stunning lake views and access to Waterbridge's resort-style amenities, including the largest residential pool in South Carolina, volleyball, pickleball, tennis, basketball, bocce, a boat launch, a playground, and more. All this, just minutes from shopping, dining, championship golf courses, entertainment, and, of course, the sandy shores of the Atlantic Ocean. Your move-in-ready dream home awaits! Don't miss this rare opportunity! Schedule your private tour today.
