Description

Imagine yourself relaxing in this beautifully renovated Kiawah Island home. Fully renovated in 2020, it offers a fresh, contemporary feel while still capturing the island's tranquil spirit. The spacious, open-plan living and dining area, with its striking vaulted ceiling, creates a wonderful space for gatherings large or small. From there, step out onto the screened porch and take in the peaceful backyard views, or relax on the full deck. The updated kitchen, featuring sleek quartz countertops and stainless steel appliances, makes meal preparation a joy. The first-floor master suite provides a private retreat, with deck access and a beautifully renovated bath complete with a tile shower, dual sink vanity, and walk-in closet. Upstairs, you'll find thoughtfully designed bedrooms, private sinks, and a shared tub/shower area. A nearby neighborhood path invites you to explore, connecting you to West Beach, pools, Cougar Point, and The Sandcastle. The West Beach location also makes getting on and off the island a breeze.
