Description

Brand new HVAC system just installed in this beautiful 2-bedroom, 2-bath fully furnished condo in the B Building of Myrtle Beach Resort. This home offers a view to die for and so much more. Just a few steps from the beach and Ocean, this home has not been rented for years and it shows. Ceramic plank floors throughout, ceiling fans in the bedrooms and dining room, walk-in shower in the EnSuite, and updated countertops and refreshed kitchen are just a few of the improvements. And without being rented, the condo is furnished for the comfort of the owners and not with the idea that it will be subject to the heavier usage of unknown guests. Enjoy the views and the atmosphere of the Ocean and when it doesn't feel like a beach day, go down the hall to the Resort's largest indoor pool or hot tub. Myrtle Beach Resort is a 33-acre gated oceanfront community with many amenities including six pools with two indoors, a lazy river, hot tubs, saunas, tennis courts, fitness rooms, bocce court, game room, 24-hour security, and activities for all ages from playgrounds to a beachfront bar and grill. Conveniently located on Highway 17 just north of SR 544, Myrtle Beach Resort is convenient to all the area has to offer. Square footage is approximate and not guaranteed.
