Description

This beautifully renovated 1,958 sq. ft. home on Kiawah Island offers coastal charm and modern luxury. Originally built in 1983, the property underwent a stunning transformation in 2024, featuring oak hardwood floors, custom cabinets, recessed lighting throughout and light-filled interiors. The eat-in kitchen boasts custom cabinetry, stainless steel appliances including a Thermador gas range, a spacious island, farm sink, and seamless access to a sunroom and back deck, ideal for entertaining. The large family room, centered around a gas fireplace and framed by vaulted ceilings, creates a warm and inviting space. The downstairs wing features two generously sized bedrooms sharing a Jack & Jill bathroom, while the private upstairs master suite is a sanctuary with a spa-like bathroom, including a quartz waterfall vanity with dual sinks, a garden tub, and an oversized walk-in shower with double shower heads. Surrounded by a peaceful maritime forest, the property features a garapa deck with sleek cable railings, ideal for outdoor gatherings. This home is conveniently located near West Beach Village and offers easy access to The Sandcastle, Cougar Point Golf Course, The Player's Pub, and a variety of excellent dining options. West Beach is surrounded by lush natural landscapes and is just a short bike ride from Night Heron Park, The Sanctuary, and Freshfields Village. Kiawah Island's renowned golf courses and tennis facilities are also conveniently close, making this home a gateway to the island's premier amenities. A Governor's Club membership is available with this property.
