Description

WOW!! This 5-bedroom, 3-bath no HOA home will blow your socks off! From the moment you enter, you'll notice this meticulously landscaped ranch-style home. The property features rocks, pavers, and multiple driveways, offering plenty of space for parking boats, RVs, or whatever suits your needs. Enjoy Murrells Inlet from your oversized patio and additional decking that overlooks a fully fenced yard with turf-covered areas, or relax in your very own gazebo beside the saltwater pool. This home truly does not disappoint! The property boasts a true 3-car garage, perfect for storing your toys, additional storage, or a space of your choosing. As you step inside from the covered front porch, you'll immediately notice the many upgrades and the well-thought-out floor plan. Custom lighting, shiplap, and unique window coverings can be found throughout the home. The custom trim work in the downstairs office, dining room, and main living room adds a special touch—this home needs nothing! The living room features double tray ceilings and an open-concept design that flows seamlessly into the kitchen. The kitchen is a standout with a custom hood, a stunning brick finish you won't see in other homes, and a spacious pantry. The oversized island with a shiplap accent includes a second sink for your separate work bar. The dining room is open to the kitchen but not the living room giving the traditional but open concept. Primary suite is located on the first floor. The well decorated master bathroom comes equipped with dual vanities, a custom tile shower, shelving, and a walk-in closet. On the main floor, you'll also find a separate laundry room, a front office, two guest bedrooms, and a full guest bath. The upstairs space is just as remarkable, featuring a full-size loft area with a dedicated office space and a generously sized bedroom with a full bathroom. Located in the heart of Murrells Inlet, east of Hwy 17 bypass, this home is truly unique and won't last long! Park your golf cart, boat, jet skis, or toy of choice and cruise down to the Murrells Inlet MarshWalk for restaurants and entertainment. Minutes away from the home there is a public boat landing where you can launch your boat or jet ski to access the Atlantic ocean where you can either fish, go for a joy ride, or grab a bite to eat! Location, location, location—this home truly sets itself apart. Schedule your showing today to see this NO HOA home!
