Description

This gorgeous home is situated on a tree-lined street in the popular Windermere neighborhood of West Ashley. It offers wonderful curb appeal with copper gas lanterns and a bluestone patio. Stepping inside, you will be welcomed by a grand foyer and a beautiful, expansive living room with eight-inch-wide oak floors, soaring ceilings, two-story windows, inset lighting and ceiling fans. This elegant room seamlessly flows into the large and airy chef's kitchen. The kitchen features marble backsplash and stainless steel appliances including a six-burner gas stove and pot filler. The center island houses an additional veggie sink with a waterfall quartz countertop. The kitchen offers plenty of storage space including a custom pantry. A spacious dining room easily entertains 10-12 people, and is situated near the kitchen for casual meals and dinner parties. The first-floor owner's suite is complete with a ceramic fireplace, an en suite bath and beautiful views of the backyard. The en suite bathroom has floor-to-ceiling marble tile, a floating dual vanity with under mounted lighting, a multi-headed herringbone tiled shower and a soaking tub. There are two additional spacious bedrooms, each with a private tiled bath. One bedroom is on the main floor, while the other is on the second floor with its own private staircase. Located just minutes from downtown Charleston and steps from the West Ashley Greenway, this home is ideally situated with easy access to nearby shops, restaurants and everyday conveniences.
