Tucked within the gated Oaks at Roper Mountain, this custom 2014 built home blends elegance with comfort. Natural light pours through oversized windows, highlighting hardwood floors, custom cabinetry, and a soaring 14-foot vaulted great room with a two-sided stone fireplace. The gourmet kitchen, complete with a large island, Wolf cooktop, and GE Monogram appliances, anchors the open design, while the owner's retreat offers a spa-like bath, cave shower, and walk-in closet. A guest suite, formal dining room, study, and well-designed mudroom add to the main floor's charm. Outside, a vaulted screened porch with a stone fireplace overlooks a private backyard, perfect for gatherings or future additions. Upstairs features two bedrooms, a flex room, and abundant storage, including a walk-in attic. Conveniently located with easy access to I85 and 385, less than 20 minutes to award winning Downtown Greenville.
