Description

Located in the Richland 2 school zone, this custom-built, all-brick home sits on a cul-de-sac street in the sought-after LongCreek community. The large, level lot is beautifully landscaped with a sprinkler system, fenced backyard, and a side-entry three-car garage. Inside, the home features hardwood floors, detailed moldings, and high ceilings, creating a warm and inviting feel. The kitchen is finished with granite countertops, and the living area includes built-in bookcases and an entertainment center. With four bedrooms—two on the main level—and an oversized FROG, there's plenty of flexible space for work, play, or relaxation. The primary suite offers a comfortable retreat. The backyard is perfect for enjoying the outdoors, complete with a newly lined pool and a deck for lounging. A great opportunity to own a well-maintained home in a gated community.
