## Description

Welcome to this charming 3-bedroom, 2.5-bath home nestled on a spacious lot, offering plenty of room both inside and out. The master suite is conveniently located on the main level, featuring a large walk-in closet, dual sinks, a sizable vanity, and a walk-in shower. The open kitchen is perfect for any home chef, with a center island and ample cabinet space for all your cooking needs. The floor plan flows seamlessly from the kitchen to the Carolina room, ideal for relaxing and entertaining. Step outside and enjoy the screened porch overlooking native landscaping, providing a quiet retreat in your own backyard. The half-bath and laundry room just off the breezeway adds convenience, leading to the 2 car garage, which doubles as a man cave, long enough to park vehicles while still having space for a workshop or storage. The long driveway offers plenty of additional parking for guests or family gatherings. Upstairs, you'll find two generously sized bedrooms, both with large closets offering plenty of storage, including one closet that spans the length of the house. These bedrooms share a full bath, making it a comfortable setup for family or visitors. With its thoughtful layout and abundance of storage space, this home is designed for easy living. This one-owner home has been lovingly maintained, with a layout that invites personalization and modern touches. From the native landscaping outside to the carefully planned spaces indoors, the home is brimming with potential for its next owner to make it truly their own. If you're seeking a spacious, well-maintained home with a great layout and room to grow, this property is ready to welcome you. Don't miss out on the opportunity to make this house your next home.
