Description

Update: All of the decks on this home were just replaced with new composite decking. This was a very expensive upgrade, but will last for many, many years to come! This beautiful 7-bedroom, 3-bathroom home boasts a light and bright kitchen with white cabinets, stainless steel appliances, a spacious island, and beautiful quartz countertops. Its waterproof luxury vinyl plank flooring ensures durability for years to come. There are 3 updated bathrooms featuring quartz vanity tops. The main floor has 2 bedrooms and a full bath, while the upper level offers 5 additional bedrooms and 2 full baths. Sleeping arrangements include 4 king-size beds, 2 queen-size beds, and 1 bunk room. If you have any energy left after spending the day enjoying all that Ocean Lakes has to offer, you will find 9 flat panel TVs, including one in the outdoor living space, complemented by a full outdoor shower. A large deck on the main level and balconies accessible from two bedrooms on the top level provide extra outdoor spaces. This home is situated on the south side of Ocean Lakes, not far from the beach. Ocean Lakes is a 300-acre, oceanfront complex, offering 24-hour security and a plethora of amenities such as indoor and outdoor pools, basketball courts, volleyball, shuffleboard, horseshoes, and more. Guests can also indulge in the water park, with a lazy river and slides.
