Description

Brand New Construction! This 4-bedroom, 3.5-bath home offers spacious, modern living across three thoughtfully designed levels. A defined foyer welcomes you into an open-concept layout that includes a large kitchen, dining area, and great room—ideal for both daily living and entertaining. The kitchen features quartz countertops, stainless steel appliances, a designer backsplash, LED disc lighting, and pendant lights over the island. Step outside to enjoy a covered porch and extended patio for seamless indoor-outdoor living. The yard will be sodded for added convivence. Upstairs, the second level includes a generous loft, laundry room, two secondary bedrooms, a full hall bath, and a spacious primary suite complete with a tiled walk-in shower, garden tub, dual sinks, and tile flooring. The third floor offers a private bedroom and full bath—an excellent option for flexible living space. Additional upgrades include enhanced lighting, trim, and plumbing packages, structured wiring, and a built-in pest control system. The finished garage is drywalled, painted, and equipped with lighting and outlets.
