Description

What a knock out of a home/floor plan. This Forester-LA2 has all you need. The home sits on 2.53 acres of Horry County soil. The view from the 20x16 covered porch is breath taking on this 110,062 sq. ft. lot. With the lot tapering off in the rear, we constructed a seawall to support any erosion. This home is uniquely designed with two suites and two studies, built by Ameribuilt Homes off Myrtle Beach. With 4 bedrooms 3 1/2 baths, storage on the upper level, what more could you ask for!! JUST TO MUCH TO TALK ABOUT, PLEASE MAKE YOUR APPOINTMENT TODAY!!
