Description

Fenced Backyard! Brand New Construction! This two-story home with a walkout basement seamlessly combines comfort and style, a sanctuary for family and guests alike. With five generously sized bedrooms, four bathrooms, two rec spaces and an office this home provides ample space for everyone to unwind and find their own retreat. The master bedroom, bathed in natural light, serves as a serene haven with its spacious layout and carefully curated design. Step into the heart of the home, where the kitchen stands as a culinary masterpiece. Adorned with pristine white cabinets, the kitchen exudes a timeless charm complemented by sleek granite countertops. A white matte backsplash adds a touch of contemporary flair, while energy-efficient LED lighting illuminates the space, creating an inviting atmosphere. Pendant lights above the kitchen island not only serve a functional purpose but also add a touch of sophistication to the culinary hub. The seamless integration of indoor and outdoor living spaces is showcased by the walk-out deck, a perfect spot for al fresco dining or relaxation. Downstairs, a patio off the walkout basement extends the living space, inviting gatherings and creating a cozy ambiance for entertaining guests. Structured wiring package and built in pest control system included. Finished garage is drywalled, painted and includes electrical outlets and lighting. With meticulous attention to detail and a thoughtful design, this home is a testament to comfort, style, and functionality—a place where memories are made and cherished for years to come.
