- Raised Beach

Description

Discover your perfect getaway just a short stroll from the surf in North Myrtle Beach. This charming beach house welcomes you with a beautiful composite front porch nestled among swaying palm trees—the ideal spot for morning coffee while catching the ocean breeze. Inside, sunlight streams through windows into a warm living room with rich wood floors. The stunning kitchen features granite countertops and premium stainless steel appliances for those who love to entertain. The kitchen pantry and adjacent ground-level storage closet are vertically aligned to create a pre-existing shaft, perfectly positioned for an easy future elevator installation. Step through the back door onto a breezy screened-in porch overlooking a backyard paradise. Here, thoughtful landscaping meets elegant hardscaping, highlighted by an impressive brick fireplace and pergola—perfect for sunset gatherings or quiet evenings under the stars. With four spacious bedrooms and four full bathrooms, there's room for everyone. The home's lower level offers unexpected luxuries: a screened sitting area, climate-controlled bonus room, convenient bathroom, private outdoor shower, multiple storage areas, and a garage with space for more storage. This special property captures everything you've dreamed about in coastal living—comfort, style, and the constant whisper of nearby waves.
