With no HOA, not in a flood zone, and just 0.39 miles from the beach, this property offers the perfect combination of convenience, coastal charm, and peace of mind. This single-level home spans 1,670 sq ft of thoughtfully updated living space, designed for modern comfort and style. The chef-inspired kitchen features custom Marsh cabinets, quartz countertops, a glass tile backsplash, and stainless-steel appliances, including a double oven. The spacious master suite, added in 2023, boasts vaulted ceilings, a spa-like bathroom with double sinks, a quartz vanity, and a large, tiled shower. A split-bedroom layout ensures privacy, with an additional master suite offering flexibility for guests or family. The outdoor amenities are just as impressive. Enjoy two composite decks, a paver patio, a relaxing hot tub, an outdoor shower and dressing area, and a cozy fire pit for entertaining or unwinding after a day at the beach. The property also includes a 312 sq ft shed with a 12x16 heated and cooled workshop and a 12x10 golf cart garage. This home has undergone extensive renovations, including updated bathrooms, a new HVAC system with a Nest thermostat, new windows and doors, and a whole-house generator for added convenience. The metal roof adds durability with its 45-year warranty and 130 mph wind rating. Set on a spacious 0.24-acre lot, this move-in-ready home offers a lifestyle of ease and relaxation. It's conveniently located near Surfside Pier, the entertainment district, grocery stores, restaurants, parks, tennis and bocce courts, a baseball diamond, the library, and the seasonal farmer's market.
