Description

This modern farmhouse-style home in Elgin checks all the boxes — spacious, stylish, and full of natural light. With over 2,500 square feet, there's room for everyone to spread out and enjoy. The open-concept main level features a generous living space and a show-stopping kitchen with tons of cabinet space, gorgeous countertops, and stylish lighting throughout. There's also a flex space downstairs that works perfectly as an office or massive walk-in pantry! Upstairs, one of the unique features of this home is the split staircase — one side leads to the secondary bedrooms and loft, and the other leads to your personal sanctuary: a huge primary bedroom with sitting area, dual walk-in closets, a private covered porch, and an en-suite bath that feels like a spa. Whether you're entertaining or just enjoying a quiet night in, this home offers the space and layout to fit your lifestyle. Located in a quiet neighborhood in Elgin with easy access to shopping, dining, and schools — come see what makes this one stand out— schedule your private showing today!
