Description

Whether you're looking for a full-time beach home, a vacation getaway, or a top-notch investment, this one checks all the boxes. Just a minute's walk to the beach and directly across from the marsh, this charming 4-bedroom, 3-bath home on a double corner lot is ideally situated to enjoy the best of Folly Beach. Originally built in the 1920s as a simple fisherman's cottage, the home was expanded in 1991, designed thoughtfully around a signature Southern Live Oak that still stands proudly. Since then, the current owner has completed extensive updates and renovations (too many to list here!), making this home completely turn-key and ready for you. Best of all, it comes fully furnished and decorated. Located in Flood Zone X (no flood insurance required) and sold fully equipped, this coastal gem is as easy to own as it is to love.
