## Description

Welcome to the home you've been searching for—this brand-new Emerson floor plan offers the perfect combination of style, functionality, and comfort. This spacious 5-bedroom home is designed for modern living, loaded with thoughtful touches and elegant details that will make every day feel extraordinary. Step through the front door into an open foyer that invites you to an open-concept living room, perfect for gathering with loved ones. Complete with an electric fireplace for those cozy evenings. The space flows effortlessly into the bright eat-in area and modern gourmet kitchen, creating a warm and sociable atmosphere everyone will enjoy. The main-level guest suite with private bathroom provides a comfortable and private retreat for visitors or family members, making everyone feel right at home. Whether you need a space for remote work, studying, or tackling creative projects, work in style with a private office featuring a built-in desk, completing the main level. The second floor boasts an open loft space, ready to suit all your needs. Whether you envision a playroom, study nook, media center, or personal retreat, this flexible area adapts beautifully to your lifestyle. Prepare to be amazed by the primary suite's spaciousness and sophistication. The massive dual-sided closet provides ultimate organization, while the private bathroom is a true retreat with its large seated tile shower—a blend of luxury and practicality. The second floor is complete with three additional bedrooms, each equipped with its own walk-in closet. These rooms provide plenty of storage and personal space. If you love spending time outdoors, you'll adore the covered patio area, perfect for hosting gatherings or unwinding under the open sky. This space turns your backyard into a relaxing sanctuary. Your family will love the easy access to HWY 26, top-rated schools, local parks, and all the shopping, dining, and entertainment that Harbison has. Contact the Neighborhood Sales Manager today to explore the home selections and construction status. Estimated completion June 2025. All photos are stock.
