Description

An incredible and rare investment opportunity! A brand new 13 unit multifamily townhouse complex. Not only are these hard to come by, a new construction one is truly a something else. This is perfect for someone expanding their investment portfolio or live in one and rent out the rest. These units are very spacious at 850 sq/ft a unit with 2 bedrooms and 1.5 bathrooms with each unit separately fire blocked. 90% of units have been rented out so the new owner will be making an income from day one. Comes complete with a stainless steel appliances, granite countertops, Hardwood/carpet flooring and much more. The property sits only half a mile from the beach so rental potential is incredible. Please reach out for any more information you may need!
