Description

This beautifully decorated, ranch style, condo (Garden Home) is more comparable to single-family home living. With its single level, privacy, two car garage, large floor plan, vaulted ceilings, enclosed screened porch/Carolina room and a large, private, real patio area perfect for grilling and entertaining. But, it has condo like prices and condo amenities such as lawn care, all landscape maintenance, roof and siding all taken care of by the HOA, as well access to the pool and tennis courts. This home, currently overlooking the 4th hole at the River Oaks golf course, has 3 bedrooms, 2 baths, a large Kitchen, a breakfast bar, pantry, and separate eating area. It also contains vaulted 14' ceilings in both the dining room and living room, a spacious master bedroom with a large walk-in closet. In addition, it has beautiful bamboo flooring, and tile floors in the wet areas. It's turnkey ready for a second home, vacation home or your permanent place to enjoy coastal living. The Garden Homes at River Oaks are a cozy 16-unit community that takes great pride in ownership. All measurements are approximate and not guaranteed. Buyer is responsible for verification.
