Description

Luxurious waterfront living at its finest! This stunning custom-built home sits on a spacious 5.2-acre waterfront lot with access to the ICW from your private dock. Nestled in gated Archfield Plantation in the town of Meggett, this showstopper features an open living area with soaring ceilings, a state-of-the-art kitchen, elevator to garage level, and a wall of windows showcasing Oyster House Creek. Enjoy amazing views from the gorgeous master bedroom and ensuite bathroom, as well as the other two spacious bedrooms. The expansive back porch and covered patio overlooking the marsh and waterways are ideal for drinking your morning coffee (from your top-of-the-line built-in coffee maker), entertaining guests, or dining at sunset. The lovely home office could be converted to a fourth bedroom if necessary. The home also features a bonus suite that is NOT included in the square-footage or room count of the home. Archfield Plantation in Meggett represents the best of country living, tucked away from the hustle and bustle yet just minutes from West Ashley, Charleston, Edisto, and the Lowcountry beaches. **The road was named after the China Back fiddler crab, also known as our native marsh fiddler crab.
